

Martinborough Wine Village is a must visit food and wine destination, just over one hour from central Wellington. The locals also enjoy their rugby. Over thirty local businesses have come together to welcome travelling rugby fans from the 27 June to 4 July.

Martinborough's boutique wineries and craft brewery will be offering special tastings, the restaurants and cafes have matched delectable dishes with a red wine, white wine or craft beer. You can attend practices at the Martinborough rugby club and enjoy a glass with the locals at the rugby club bar. Martinborough retailers will be offering a huge welcome and the town has even designed its own Reds, Whites and Brews rugby shirt so that you can spot the locals.
